### Bank Draft Plan now Available

After receiving requests from many customers, the Haralson County Water Authority Board has authorized our office to implement a Bank Draft Plan. Under this plan, your monthly charges can be automatically deducted from a bank account designated by you.

You will continue to receive a bill detailing your charges, adjustments and payments. Please note if you enroll in this plan, your account will be drafted on the **10<sup>th</sup> day** of each month (or the next business day if the 10<sup>th</sup> in a non business day.) The plan allows you to designate a maximum amount that may be drafted from your account each month. It is important for you to continue to review your bill each month and contact our office to make other payment arrangements if your charges exceed the maximum amount that you designated. Failure to do this could result in disconnection of your service.

If you wish to enroll in the bank draft plan, please complete the information below and sign. Please note this service will begin next month. **You should pay the current bill as you have done if the past.** If you have any questions please call us at 770-646-6633.
